

Directions to Disability Rights Montana:

Coming from the North: Exit Interstate at the Cedar Street Exit and turn right onto Cedar. (you will pass K-Mart) Stay on Cedar by continuing going straight at the intersection of Cedar and Montana. About two blocks from the intersection is the intersection with National Avenue and is marked by a little cabin coffee shop on the right, and a business complex including an auto parts store on the left. TURN LEFT on to National. Go about one block to Chestnut Street, and you will see their building on your left. It is a large new building of a green color. Parking is available in their parking lot.

Coming from the South: Exit the Interstate at the Cedar Street Exit and turn left onto Cedar. (you will pass K-Mart) Stay on Cedar by continuing going straight at the intersection of Cedar and Montana. About two blocks from the intersection is the intersection with National Avenue and is marked by a little cabin coffee shop on the right, and a business complex including an auto parts store on the left. TURN LEFT on to National. Go about one block to Chestnut Street, and you will see their building on your left. It is a beautiful new building of a green color. Parking is available in their parking lot .

Coming from the East: Exit 287 on to the Interstate by turning right just before the overpass. Remain on the Interstate over the railroad tracks and exit at the Cedar Street, turning left on to Cedar. (you will pass K-Mart) Stay on Cedar by continuing going straight at the intersection of Cedar and Montana. About two blocks from the intersection is the intersection with National Avenue and is marked by a little cabin coffee shop on the right, and a business complex including an auto parts store on the left. TURN LEFT on to National. Go about one block to Chestnut Street, and you will see their building on your left. It is a beautiful new building of a green color. Parking is available in their parking lot

Coming from the West: As you enter Helena you will be on Euclid Avenue, and remain on this street until the intersection with Last Chance Gulch. This will be where there is a large white building on the left. Turn left onto Last Chance Gulch and follow it over the railroad tracks as it turns to the east. Watch for National Avenue on your right. TURN RIGHT on to National. Go about one block to Chestnut Street, and you will see their building on your left. It is a beautiful new building of a green color. Parking is available in their parking lot
